

CIGS Thin Film Solar Module

10 Qualities • fully encapsulated module

- 1. 17,6% efficiency
- 2. Thin (< 1mm) and light (1,8kg /m²)
- 3. **Configurable** shape and fixing method
- 4. Ultra flexible and shatter-proof (no glass)
- 5. Low carbon footprint, only 15gr of CO2 per kWh
- 6. Adapting to any surface: glue, straps, zip, velcro, welding,...
- 7. At least 20 years of lifespan and 80% efficiency guarantee in 20 years
- 8. Better resistance to shock and shadow: <u>1 bypass diodes every 2 cells</u> (≈ 100+ diodes vs 1 to 3 diodes for regular panels). If several cells are under shadow, only the related cells (2 by 2) will stop and the rest of the panel will still produce energy.
- 9. No micro cracks: if the panel must undergo vibrations, there is much less risk of generating cracks or micro cracks
- 10. Better with heat and indirect sun rays: only -10% efficiency at 55-60°C start to work with the very first solar rays of the day and the last ones / same for cloudy days

Cell performance

Measurement tolerances: Nominal Power Pmpp +/- 5%, all other Electrical Parameters +/- 10%

Performance at Standard Test Conditions (1000 W/m², Temp, 25°C, Wind 1m/s, Sepectrum AM 1,5G)		Temperature Coefficients			
Nominal Power (Pmax) W	2.33	Temperature Range		-40°C to +65°C	
Voltage at Nominal Power (Vmp) V	0.601	Temperature Coefficient of Voc	%/C	-0.28	
Current at Nominal Power (Imp) A	3.87		%/C	0.008	
Open Circuit Voltage (Voc) V	0.732	Temperature Coefficient of Isc	/o/L	0.000	
Short Circuit Current (Isc) A	4.21	Temperature Coefficient of Pmpp	%/C	-0.38	
Mechanical Specifications					
Module Construction Barrier Foil		er Foil / Encapsulant / Solar Cells / Encapsulant / Stainless steel substrate			
Type of Solar Cel	s Flexible CIGS	Flexible CIGS			
Dimensions (L x W x) 315mm x 44mm x 0.8	315mm x 44mm x 0.8mm			
Weight (Ce	l) 8.7gr	8.7gr			
Max mechanical loa	d 5400Pa, 550 kg/m²	5400Pa, 550 kg/m²			
Certifications (Cell) IEC EN 61646, IEC		N 61730, IEC 62716, IEC 61701 (Salt Spray)			
Product Guarantee 2 years workmanship after delivery date					
Performance Guarantee 10 years 90%, 20 years 80% (of Pmpp under STC)
